

## FORMAT OF ARTICLES

### General Guidelines

The periodic **Custos e @gronegocio on line** will give preference the publication of original papers that present relevant contributions for the study of agribusiness from the insertion of cost accounting in its several aspects, as theoretical-empirical investigative approaches, structured with compatible theoretical references and methodological support or with only a theoretical perspective essays.

Papers previously presented and published in scientific events may be considered for publication, since all relevant information, such as event identification, location, period, are given correctly. Papers can be submitted in Portuguese, English, or Spanish, since originally written in one of these languages. Only will be considered papers that present the correct format (see guidelines described below).

Papers can be reproduced totally or partially since named the source.

### Send your Article

The articles must be sent through e-mail, according to the format specifications provided, to the following address:

[agronegocio@dadm.ufrpe.br](mailto:agronegocio@dadm.ufrpe.br)

### Scope
