

## Presentation

**Custos e @gronegocio** *on line* presents its latest issue composed of articles from different countries that deal with cost issues in the context of agribusiness.

Papers from both Brazilian and foreign authors explore aspects relevant to their respective business environments, demonstrating the interest of academics in this area of knowledge.

Once again, I thank all the reviewers for their invaluable contribution to the process of evaluating and improving the articles.

Have a pleasant reading!!

Antônio André Cunha Callado
